OBJECTIVE

I am a dedicated and ambitious ECE student at [Sri Krishna College of Engineering and Technology, with a strong foundation in both theoretical and practical aspects of the field. My coursework and hands-on projects have provided me with a comprehensive understanding of various technologies, including microcontrollers, embedded systems, and signal processing. I possess excellent problem-solving skills and thrive in collaborative environments. Eager to apply my knowledge and skills to real-world challenges, I am seeking internship or entry-level opportunities to contribute to innovative projects and further develop my expertise.
